Building Manager resigns

For three years I have been the building manager of the Schiedamse Vest. During those years I took great pleasure in carrying out my tasks as Building Manager and it has been a fun and educational time for me.

Because I am writing my final thesis at this moment unfortunately I have too little time to carry out my tasks as Building Manager. Therefore I have decided to resign from my function of Building Manager as from June 1st. From that date on Bob Breijs (current Assistant-Manager) will be the new Building Manager. Until August 1st I will take over his function of Assistant-Manager, after which I will definitively resign from the board of the building committee.

I would like to thank the building committee and the tenants of the Schiedamse Vest for a great time. I wish Bob Breijs good luck in his new function.

With kind regards,
Anke Neecke

Office hour May 21st moved

Due to other obligations, the office hour of Monday May 21st will not take place. Without further notice, the office hour will be moved to Tuesday May 22nd. Keep an eye on the message boards in the entrance for any further notices.

Ventilation system

The ventilation system on the roof had been out of order for some time now. Stadswonen is in search of a company that can fix the ventilators. When this is fixed, we hope the ventilation system in the kitchens, toilets and showers will work again.

Website online

The new website is online. Although the contents are not entirely brought up to date, you can go and have a look. The new website has a new lay-out and a forum and had been designed by Mathijs Vlasveld (member of the building committee).

www.schiedamsevest.nl

Kitchens

After a long and chaotic period the new kitchens have been built in. Some kitchens need some work, which will probably happen in the next few weeks. Stadswonen had been notified of the problems surrounding the assembly of the kitchens.

Washing coins

Washing coins can be bought in sets of 11 coins at the building manager during office hour, or by leaving an envelope with money, your name and roomnumber in the mailbox of the building manager or laundry manager. A set costs €10,- and only 1 set can be bought each time.

Building Manager: Anke Neecke, 26A

Laundry Manager: Mathijs Vlasveld, 16A
